

First Pres Parent Co-op Preschool

What Is It?

A Biblical based, once a week, preschool where each parent commits to assisting the lead teacher several times per semester. Parents play an active role on the teaching team. There will be a sign-up sheet at the start of each semester on which parents may choose two or three dates that work with their individual schedules. First Pres's Director of Early Childhood, Debbie Laur is the lead and primary teacher of the Co-op Preschool. She prepares all of the lesson plans and fully equips the parents for their role as assistant.

The Co-op Vision

To support and encourage parents and give them tools that help in their child's development; spiritually, socially, emotionally and intellectually.

When and Where

The Co-op Preschool meets for 2 hours on Monday or Tuesday in the designated preschool room on the first floor of the First Pres Children's Wing. Please call Debbie for a tour.
