

Children and their Families Ministries

Early Childhood Nursery

@ First Presbyterian Church

8:15—12:15 Sundays

1st floor—CE Building

We are so glad you are here! Upon entering Critter Land, the first step is to sign in on one of our touch-screen computers. This is a safety measure that also allows you to provide any special instructions in caring for your child. **You will receive a name tag for your child and a pick-up tag for you to keep. Please put the name tag sticker on your child's back. The "claim ticket" is for when you return to pick up your child.**

Diaper bags should include the following items, each labeled with the child's name:

- Pacifier
- Bottle and/or sippy cup
- 3-4 diapers
- Change of clothing

Please do not include any medications. Staff is not allowed to administer medications of any kind.

Saying goodbye can often cause separation anxiety for little ones.

Our staff has found the following ideas to be helpful:

- Give your child time to get comfortable. This may mean missing a few minutes of Sunday School or worship.
- Always say goodbye, but keep it short.
- Once you say goodbye, go. Repeated goodbyes are confusing and harder for children to understand.

As a precaution, staff may not accept children with:

- Fever or rashes within the preceding 24 hours.
- Vomiting or diarrhea.
- Unusual fatigue or irritability.
- Coughing, sneezing or runny nose.
